

MUSKOKA WOODS
SPECIALIST HIGH SKILLS MAJOR

Muskoka Woods and SHSM

A Specialist High Skills Major is an Ontario ministry-approved specialized program. It allows grade 11 and 12 students to focus their learning on a specific economic sector, while meeting the requirements to graduate from secondary school. It also assists in their transition after graduation to apprenticeship training, college, university or the workplace.

Muskoka Woods' vision and commitment is to inspire youth to shape their world. One of the ways we do this, is by training & developing young people. Leadership training that was once only available for the corporate executive is now made available to young people through The Leadership Studio Experiences from Muskoka Woods. Muskoka Woods provides unique learning opportunities and certifications for SHSM students.

Workshops and Certifications are facilitated by experienced Muskoka Woods staff who have been training youth & groups in our Leadership Studio & CEO Leadership Program at Muskoka Woods and abroad. They are dynamic, engaging and demonstrate their commitment to see young people develop into leaders through leading these fun & energetic sessions.
